EDUCATION

The University of Texas at Dallas, Richardson, TX

B.S. in Computer Science, B.S. in Data Science, Minor in Mathematics

GPA: 3.912 / 4.000

Aug. 2024 - May 2028

- National Merit Scholars Program
- Computing Scholars Honors Program
- Hobson Wildenthal Honors College

PROJECTS

DocBranch | *AWS, ExpressJS, Natural Language Processing, React, Electron*

September 2025 - Present

- Developed a version-controlled desktop resume editor that helps users generate job-specific resumes in seconds
- Architected and deployed AWS DynamoDB + S3 storage schema to handle scalable, low-latency data operations
- Engineered RESTful APIs with Express.js and documented endpoints in Swagger
- Integrated AI-driven chatbot using AWS Bedrock to answer user queries and perform intelligent resume search
- Implemented secure authentication flow using token-based access and encryption best practices, ensuring user data integrity

Forkast | *Python, Flask, React, Recharts, NumPY*

February 2025

- Built AI-powered food tracking app that uses image recognition to analyze meal photos and provide personalized nutrition breakdowns
- Developed responsive frontend with React Native and Flask, supporting real-time feedback and seamless cross-device performance
- Designed data visualization dashboards using Recharts to display macronutrient trends and progress over time

WanderLogic | *Prolog, s(CASP), Python, GoogleAPI, YouTubeAPI*

January 2025

- Created intelligent travel planner leveraging logic programming and s(CASP) to automatically generate optimized travel routes and cost estimates
- Implemented recursive reasoning algorithms capable of evaluating thousands of route permutations in seconds

Candidate Compass | *Swift, XCode, NewsAPI*

July 2023 - October 2023

- Developed iOS app in Swift centralizing election news and candidate info from multiple APIs
- Integrated RESTful endpoints (NewsAPI, YouTubeAPI) for real-time content delivery and improved user engagement
- Designed and maintained database for structured candidate data, ensuring consistent updates throughout the election cycle

LEADERSHIP EXPERIENCE

National Merit Ambassador

September 2024 - Present

- Provide guidance and mentorship to incoming and prospective National Merit Scholars at the University of Texas at Dallas

Officer - UTD Japanese Language Association

August 2024 - Present

- Served as Officer for the Japanese Language Association of the University of Texas at Dallas

Athlete - UTD Club Gymnastics

September 2024 - Present

- Competed as an athlete for the club gymnastics team of the University of Texas at Dallas

Competitor and Volunteer - Grace Foo Chess Club

August 2013 - May 2024

- Competed in local, state, and national level chess tournaments
- Volunteered to teach chess tactics, strategies, and skills to hundreds of children across dozens of schools

SKILLS

Programming Languages: Python, Java, JavaScript, TypeScript, C++, HTML/CSS, Swift, Prolog, s(CASP)

Frameworks: React, Node.js, Next.js, Express, Flask, Axios

Developer Tools: AWS (S3, DynamoDB, Bedrock), Git, Swagger

Languages: English, Mandarin Chinese, Japanese
